

## TLi - BLEMISH AND OIL CONTROL

|                                    |   |
|------------------------------------|---|
| <b>SKIN TYPES</b>                  | Appropriate for all skin types including sensitive.   |
| <b>DESCRIPTION</b>                 | Our Blemish Control Mask is ideal for congested and excessively oily skin. This healing mask is a potent formula enhanced with several Power Pure ingredients aimed to reduce inflammation, detoxify skin tissue, and reduce unsightly lesions.   |
| <b>DIRECTIONS</b>                  | <b>Professional Use-</b> This is a single step process and the entire air-tight syringe should be used to evenly coat the treatment area before undergoing the LIGHTWAVE infusion treatment. Please see <i>Topical Light Infusion Blemish Control Mask</i> protocol for complete details.   |
| <b>POWER PURE™ INGREDIENTS</b>     | <p><b>Dermasyr™ (Maltodextrin, Syringa vulgaris leaf cell culture extract)</b> - Helps reduce skin blemishes and inflammatory hyper-pigmentation, controls skin redness and balances seborrhea.</p> <p><b>BioFense Probiotics (Lactobacillus Ferment)</b>- a fermented probiotic that normalizes skin flora and reduces bacteria. BioFense has been shown to reduce the size of acne lesions and erythema faster and more effectively than salicylic acid.</p> <p><b>AberMat (water, planktonic exopolysaccharide 5, phenoxyethanol)</b> - absorbs excess sebum on the skin's surface without dehydrating or harming the epidermis. Provides a mattifying effect on the skin for up to hours after the treatment.</p> <p><b>Seanamin SU (algae extract, sorbitol)</b>- A red and brown marine complex of whole and natural macro-algae. Seanamin SU hydrates and moisturizes the skin while boosting elasticity and improving skin tone and texture.</p>  |
| <b>ACTIVE INGREDIENTS</b>          | <p><b>Sea Buckthorn Berry Oil</b> - this natural antioxidant contains a high content of nutrients essential for metabolism and regeneration of skin cells. Sea Buckthorn oil has essential fatty acids to help reverse damaging effects of sun radiation and minimize long term effects of sun exposure and promote natural skin restorative processes. This unique oil provides long term anti-inflammatory and restorative benefits and is great for all skin types.</p> <p><b>Pearl Extract (Water, Glycerin, Pearl Powder, Maris Sal)</b> - is a unique combination of natural marine minerals that provide anti-inflammatory and anti-bacterial benefits. Pearl Extract stimulates and invigorates the skin while detoxifying congested tissue.</p> <p><b>Salicylic Acid (1%)</b> - A lipid and oil soluble beta hydroxy acid that is an exceedingly efficient keratolytic agent that gently exfoliates by dissolving the top layer of the corneum cells while also clearing skin impactions and helping to reduce oil content. It is a natural anti-bacterial and anti-microbial agent that has the unique ability to exfoliate inside the clogged pore as well as outside, making this an ideal acne fighting ingredient.</p> <p><b>Aloe Barbadosis</b> - Aids in calming and soothing dry and irritated skin. Aloe Vera is a powerful moisturizer with antibiotic and wound healing abilities. It has remarkable healing abilities because it is a natural oxygenator (drawing and holding oxygen to the skin).</p> <p><b>Honeysuckle Extract</b> - Soothes, softens, and calms the skin. Anti-bacterial, anti-inflammatory, and cleanses and purifies.</p> |
| <b>COMPLETE INGREDIENT LISTING</b> | Purified Water, Glycerin, Lactobacillus Ferment, Pullulan, Menthyl Lactate (L), Salicylic Acid, Algae Extract, Alcohol Denat., Syringa Vulgaris (Lilac) Leaf Cell Culture Extract, Hippophae Rhamnoides (Sea Buckthorn) Extract, Hydrolyzed Collagen, Sea Salt, Pearl Powder, Glycyrrhiza Inflata Root Extract, Aloe Barbadosis Leaf Juice Powder, Saccharide Isomerate, Lavandula Angustifolia (Lavender) Oil, Santalum Austrocaledonicum (Sandalwood) Wood Oil, Jasminum Officinale (Jasmine) Oil, Cananga Odorata (Ylang Ylang) Flower Oil, Chondrus Crispus (Carrageenan), Sorbitol, Mannitol, Sodium Chloride, Citrus Aurantium Dulcis (Orange) Peel Oil, Calcium Gluconate, Caprylyl Glycol, Lonicera Japonica (Honeysuckle) Flower Extract, Sodium Hydroxide, Lonicera Caprifolium (Honeysuckle) Flower Extract, Carbomer, Glucosamine HCl, Hydrolyzed Actin, Xanthan Gum, Sodium Glucuronate, Phytic Acid, Phenoxyethanol, Potassium Sorbate.   |
